Example: On January 1, 2008, you purchased an Astaro Security Gateway 120 and began a Mail Security Subscription and Platinum maintenance for one year. You decide to begin a Web Security Subscription for one year on April 1, 2008. You want all subscriptions and maintenance to end on March 30, 2009. To make the Mail Security Subscription end on March 30, 2009, you extend it by 3 months (€37 x 3). To make the Platinum maintenance contract end on March 30, 2009, you extend it by 3 months (€ 64529 x 3). On April 1, 2009, you renew the subscriptions and maintenance based on the normal annual plans.
